n November 4th 2011 at about 2:00PM or 2:15PM while working at 800 North Pearl in the Village of Menands, County of
lany and State of New York. Sonia Arroyo asked all of us into the county demo back office and told us that Kathy Napoli was
her way down, and that she wanted to speak to all of us. We were all sitting in our chairs calmly waiting when Kathy Napoli
ame tearing into the room and said I need to talk to you "fucking people". Where the "fuck is Stephen. I want him in this fucking
om right now"! Someone go and "fucking get him". We tried to tell her myself and others in the room that he went to the men's
om and would be right back. Kathy said go "fucking get him right now! Who the fuck to you people think you are, making this
ganization look so bad. That memo Stephen sent out is the last straw. Stephen came back in the room and she yelled at him
u sit the fuck down. Sonia was trying to ask Kathy to please lower your voice and not yell at her staff. Kathy yelled back it is ok
r people to yell at me, but I can't yell at them. Sonia continued asking her to stop yelling at her staff. Kathy repeatedly
mentioned the memo Stephen sent out. I kept trying to tell her I did not know what she was talking about; all through this she
apt waving her index finger at us. Kathy turned to me and said there are other fucking issues in this unit that I am going to
dress. She was yelling at us all that we were going to have to behave like professionals. Kathy ripped her jacket off and said
k "fuckers you want to go at it". At that moment I thought she was going to physically hit someone. Kathy kept ranting how we
are making this agency look bad and yelling at us how she was going to straighten us all out. Kathy just kept yelling and Sonia
ept asking her to stop yelling and let's go to Sonia's office and discuss this. Finally Sonia was able to get her to leave the room
nd they went to Sonia's office. Stephen wanted to call the police and I said no let's call the Union Rep. Maria Burke, which we
escribed to her what had happened. Maria and Matt Chiesa both showed up together. I have never felt this way before, we
ere all shaking and upset.
